

# BHAICHUNG BHUTIA FOOTBALL SCHOOLS

India's No. 1 Football Academy

**PASSION. PERSEVERANCE. TEAMWORK.**

## **BBFS RESIDENTIAL ACADEMY - AN INTEGRATED PROGRAM TO EXCEL IN BOTH FOOTBALL AND ACADEMICS UNDER ONE ROOF**

Founded in 2010, Bhaichung Bhutia Football Schools (BBFS) is India's largest and most-rated football academy. The founding team of Bhaichung Bhutia Football Schools came together with the vision of creating an ecosystem that nurtures and develops the will to Play, Learn and Master football.

With its non-residential and residential football academies across the country, BBFS has trained 18,000+ students and 2000+ coaches to date. The organization has cultivated expertise in every phase of the player development pyramid and is working tirelessly to uplift the football culture in India.

BBFS Residential Academy is an elite boarding school program for students aged 8-18 willing to pursue football at a professional level while balancing academics. Selected players live on the school campus, receive specialized training, and play competitive leagues at the state, national and international levels.

BBFS launched the first girls' residential program in Maharashtra for age-groups 10-18.

To provide world-class football coaching, BBFS has engaged the services of internationally acclaimed European academies to formulate the coaching methodology and train coaches. BBFS has also contributed significantly in terms of honing talent and producing professional players for India.

## PAVING A STRUCTURED PATHWAY FOR ASPIRING FOOTBALLERS

In India, millions of children take up sports in their early years. However, as they enter their teens, there is a steep dropout rate. According to a PwC survey, more than half of the children drop out due to a lack of proper coaching, curriculum, or infrastructure.

Our program has been crafted to provide a healthy sporting culture within the controlled environment of the campus, to help students achieve sporting excellence in a structured way.

## A BALANCE OF FOOTBALL AND ACADEMIC EXCELLENCE

Our residential campuses offer state-of-the-art facilities and a customized sports curriculum developed scientifically with champions like Bhaichung Bhutia and other football experts to provide an ideal development pathway for aspiring youngsters.

Alongside proficient academic teachers, we have experts working in sports science, physiotherapy, psychology, nutrition, coaching, and physical training to develop the social, mental, technical, tactical, and physical development of student-athletes.

# NOW A STEP CLOSER TO YOU: WITH 5 CAMPUSES ACROSS INDIA

## **BBFS Residential Academy, Delhi with Vedas International School**

Started in 2018

A CBSE boarding school, Vedas International School is placed close to the alluring Aravali Hills. The campus owns two lush green natural 11-a-side fields and other sporting facilities.

## WHAT PARENTS SAY ABOUT US

**Mother's Name: Leela Buragohain**

**Student's Name: Louis Buragohain (BBFS Residential Academy, Shillong)**

Our priority for our son Louis was to find a place where he could get a good education and pursue his dream career as a footballer. We found BBFS Residential Academy, Shillong as the perfect platform in Northeast to carry on his education and professional football training.

**Father's Name: Lt Col Gourishankar A Pillai**

**Student's Name: Sidhanth G Pillai (BBFS Residential Academy, Kerala)**

Me and my wife, who is an educator, are very pleased with BBFS Residential Academy's curriculum and methodology of coaching. BBFS has been instrumental in my son Sidhanth G Pillai being nurtured into not only an excellent sportsman but also a wholesome individual. The training methods and philosophy along with a team of dedicated and professional staff have ensured that my son is developing into an all-round personality.

**Mother's Name: Rashmi Nehra**

**Student's Name: Nishnat Nehra (BBFS Residential Academy, Delhi)**

BBFS Residential Academy has had a great impact on my son's skills in football. The coaches are very enthusiastic about teaching the basics to the core and making sure that each session is nothing but fun having a certain benchmark. The players-coach ratio is an important aspect for me as is the coach feedback and camaraderie that the players and coaches have together. I can see how the academy has molded my son to be an independent individual. Players are getting an adequate amount of practice, workouts, and excellent motivation.

**Father's Name: Vinit Shetty**

**Student's Name: Shlok Shetty (BBFS Residential Academy, Maharashtra)**

BBFS has been an all satisfying football academy. It has not only helped our son to learn football in a professional way but helped him grow as an individual. It helped him become a responsible human being.

**Mother's Name: Sujatha Kumar**

**Student's Name: Aditya Kumar (BBFS Residential Academy, Karnataka)**

Aditya's comfort zone is both the hostel and school where he's heard individually and heralded to fine-tune his game and studies. It is heartening to note the coaches at BBFS Residential Academy impart advanced technical and tactical aspects of football training. The coaches while being exemplary frequently interact with the boys at all times to produce an air of comfort and confidence. The atmosphere in school and BBFS hostels are conducive to the children's holistic development.

## A PROFESSIONAL CLUB THAT LETS OUR PLAYERS CONTINUE THEIR COLLEGE EDUCATION

Garhwal Heroes Football Club (GHFC), founded in 1952, is a professional Indian football team based in New Delhi. The club has a strategic partnership with Bhaichung Bhutia Football Schools Residential Academy to develop and provide an ideal platform to play professionally.

In the last few years, 10 players from GHFC have donned the national team colours, and 50+ footballers played in the I-League and Indian Super League.

The club aims to become India's first sustainably-run community-driven team with a robust youth development system. GHFC is building an extensive scouting network to find talent across the nation and qualify for the Indian Super League with the maximum number of players from its College Program and BBFS Residential Academy by 2025.

Garhwal Heroes Football Club recently launched its women's team and has achieved great success in the ongoing Khelo India Delhi Women's Football League, the second tier of professional football for women in India.

To achieve this feat, the scouts at GHFC closely monitor the growth and development of BBFS Residential Academy players and mentor them for their future. When a player performs well at the age-group competitions, they are provided amateur contracts to represent the club at the national stage. In the past year, five residential academy players signed amateur contracts with the club and two of them went on to sign for I-League based teams this year.

## A TOP-RATED UNIVERSITY PROGRAM OFFERING A WIDE RANGE OF DEGREES

Garhwal Heroes Football Club has launched India's first integrated college program with a well-defined pathway to play professional football. The club has partnered with Apeejay Stya University, Delhi, which offers undergraduate degrees in Engineering, Management, Design, Journalism, and related fields.

Student-athletes who enroll in the program will have access to:

- 24x7 boarding facilities with the best academic and sporting infrastructure.
- Personalized curriculum to balance academics and football.
- Mentorship from licensed coaches.

The program will offer young college-goers an opportunity to play in university, regional, national, and international tournaments. The athletes will also participate in all India Inter-university leagues and famous competitions of BITS Pilani, IIT, Reliance Foundation Youth Sports, and Khelo India.

Best footballers will receive professional contracts from Garhwal Heroes Football Club and its partner clubs across India.
